cloudLibrary

A growing eBook collection with over 3,000 titles, many by bestselling authors. cloudLibrary titles are automatically returned after 21 days.

Accessing eBooks on a Computer

1. Go to the cloudLibrary website. (Available through www.prl.ab.ca/elibrary)
2. To read an eBook, you will need to install the PC or Mac app. Click *Download App* button in the upper right of the screen.
3. This will take you to the cloudLibrary support site, where you will choose PC App or Mac App on the left side of the screen. Download the app.
4. After the app is downloaded, open the app. Select your Country as Canada (CA), Location/Province as Alberta, and Parkland Regional Library as your library. Enter your library barcode and pin. Accept the legal terms and click *Login*.
5. A pop up box will appear asking you to activate your computer. Choose your activation method and click *Activate*. (Leave it set to *Automatically generate ID for cloudLibrary*, unless you have an Adobe ID you'd prefer to enter.)
6. You can choose books from the *Featured* or *Browse* tabs or complete a search from the Search box.
7. To check out an eBook, click on the cover. Click the green *Borrow* button. The book will automatically download into *My Books*. (You may be asked to download and unzip the eBook file. Click OK to unzip/extract the file.) To start reading your eBook, click the cover.
8. If the book is unavailable, place a hold by clicking the *Add to Hold List* button. To be notified of your hold, click *Settings.* Click *Yes, notify me* and input your email address.

Transferring eBooks to eReaders

1. Follow the steps for accessing eBooks on a computer.
2. Plug your turned-on device into the computer, go to the *My Books* tab in the cloudLibrary app, and click on the *Transfer to Device* button.

Accessing eBooks on your Tablet
